

NOCCA FOUNDATION: KEY RENTAL VENUES AND RATES

The NOCCA Foundation is now taking reservations for Press Street Station, The Gallery, and The Garden, located in the heart of New Orleans' historic Faubourg Marigny/Bywater neighborhoods:

PRESS STREET STATION & THE GALLERY

Press Street Station is a beautiful, airy event venue that features architectural details from the building's long history as a railway facility and warehouse. A 2015 restoration added modern updates, including glass garage doors that can be rolled up during nice weather, a marble bar, and a professional kitchen.

Adjacent to the entertainment area is **The Gallery**, where NOCCA students, faculty, and alumni frequently show their work. It's a "white box" style gallery that can be used for a wide variety of events.

Your rental of Press Street Station includes the use of the kitchen, as well as tables, dining chairs, and barstools. You'll find a list of amenities below!

It's also been named one of New Orleans' most beautiful places to get married.

The Garden features a large courtyard that can accommodate roughly 150 people standing, as well as the "Louisiana Garden", a large greenspace surrounded by native trees, shrubs, and perennials. Between the two, your guests can peruse the herbs and vegetables grown by students in NOCCA's Culinary Arts program.
